

LEADERSHIP MAKES THE DIFFERENCE

Expand your Girl Scout leadership skills. Save the date for two great River Valleys enrichment opportunities.

Camp Cabaret

Fun, learning, friends, nature, singing, scenery, great food, and more!

Camp Cabaret has it all. Mark your calendars now for the weekend of October 10-12 at Camp Singing Hills, centrally located near Waterville, Minn.

Something for everyone: Leadership Essentials, song workshops, glass etching, ceremonies workshops, financial management for troops, and outdoor training.

Sunday morning will feature Dennis Johnson, founder of Win-Win, a conflict management system for kids. You'll be able to teach your Girl Scouts how to solve disputes without your intervention and with no hard feelings.

Details:

- Come for one, two, or all three days.
- Bring your warm sleeping bag - we'll be sleeping in unheated cabins.
- Meals will be in the dining hall, cooked by a professional Girl Scout cook.
- Carpooling can be arranged from most areas in River Valleys' jurisdiction.
